November 10, 2025

RE: Tualatin High School Restroom Building

Dear Property Owner:

You are cordially invited to attend a meeting on December 1, 2025 at 6:00 pm at Tualatin High School. This meeting is being held to discuss a proposed project located at the school (22300 SW Boones Ferry Rd, Tualatin, OR 97062). The proposal consists of the construction of a new 665 square foot CMU building that will contain eight (8) single occupancy restroom units along with some ancillary paving and drainage improvements. This proposed building will be located south of the existing football field and east of the theater building.

This is an informational meeting to share the development proposal with interested neighbors. You will have the opportunity to review preliminary plans and identify topics of interest or consideration. Feel free to contact me with any questions or commentary.
