

Adopting the ADA Transition Plan

SEPTEMBER 10, 2018

Tonight's Agenda

Review the
process

Review plan for
implementation

Review
progress so far

Ask Council to
adopt the Plan

History of the Project

Project Kickoff
May 2017

Staff Self
Evaluation &
Basic Training
August 2017

Receiving
Public
Comments
March-May
2018

Consultants
Gather Data
May- October
2017

ADA Task Force
Meetings
October 2017,
December 2017
& March 2018

What is a Barrier?

- Physical

- Communication

- Lack of Assistive Technology

- Negative Attitudes about Disability

How Do We Prioritize?

Parks & Facilities

Table 2. City Parks, Trails, and Greenways Transition Plan Phasing Schedule⁵⁵

Location	Years ⁵⁶ 1-3	Years 1-5	Years 1-10	Years 1-15
Atfalati Park	X	X		
Brown's Ferry Park	X	X		
Ibach Park	X		X	
Jurgens Park	X		X	
Lafky Park	X		X	
Little Wood Rose Nature Park	X	X		
Saarinen Wayside Park	X			X

⁵⁶ It is the City's intent to review all barriers during the first three years of Plan implementation and address those barriers that can be resolved through programmatic modifications and maintenance tasks.

In Public Rights of Way

Curb Ramps, Sidewalks and Pedestrian Signals

High Priority (following Federal guidelines)

Location of an ADA complaint

Location serving government

Location serving transportation

Location serving commercial & employment centers

Cost Estimates to Remove Barriers

Barriers in the Right of Way

- \$62 Million

Barriers in Facilities & Parks

- \$3 Million

How Will We Implement This Plan?

How Will We Implement This Plan?

Training
for Staff
on:

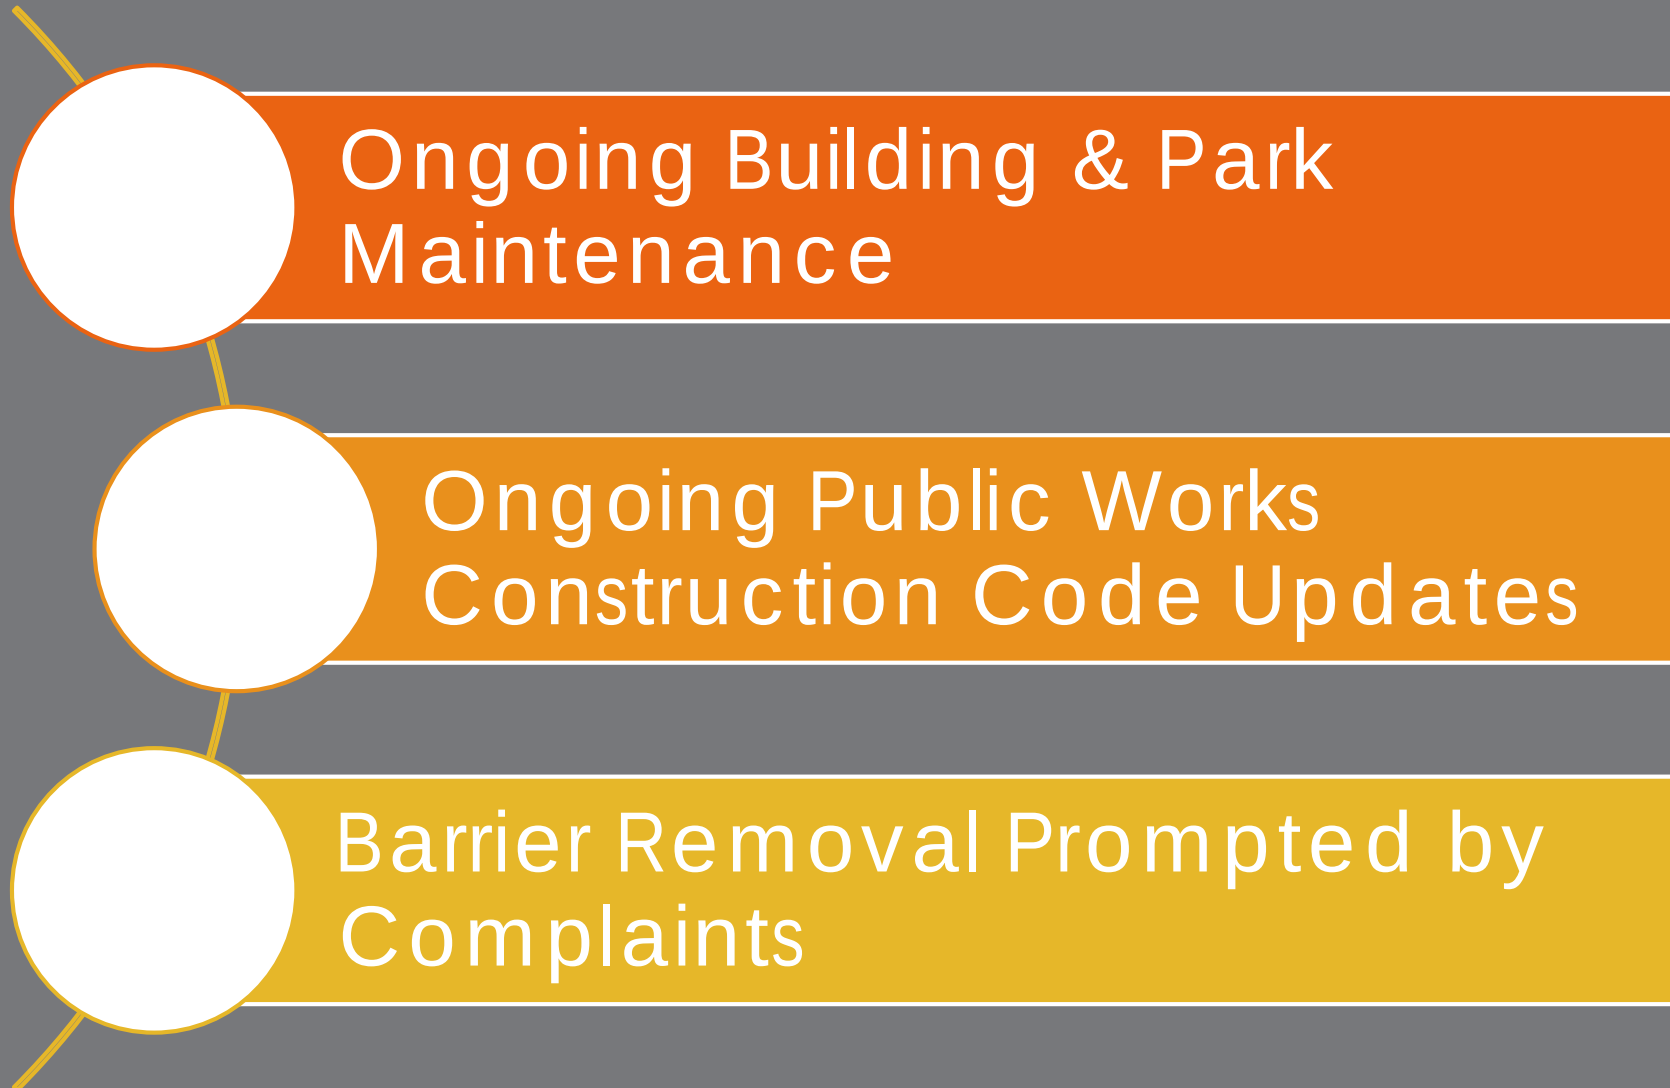

Customer Service

Curb Ramp Inspection

Building Maintenance

How Will We Implement This Plan?
